### Bopp packing tape clear packing tape

#### Description

Clear packing tape are widely used to carton packaging, and with manual or machine application. Any colors and sizes can be available. we can also printing your image and logo on tapes.

#### specification Feedback

Bopp packing tape is made of BOPP film and coated with water based acrylic adhesive, and with excellent adhesion and strenth. easy to be used in variety of packing fields. It is available of any color and sizes.

Basement adhesion: coated on pressure- sensitive adhesive

Useful: It is widely used in all kinds of packing industry, such as carton packing, bag sealing, heavy-weight and light-weight boxes sealing etc.

Our advantage are:

1. Excellent adhesion and easy to shear properties
2. Resistance to cold, heat and aging
3. High mechanical strength and good impact resistance for bopp box packing tape Ideal for use in dispensers
4. Excellent performer for both hand and machine application.
